

CLEMENT COULEUR

INGREDIENTS

1 1/2 parts GREY GOOSE® L'Orange Flavored Vodka
1/2 clementine peeled, plus 1 slice for garnish
1/2 parts triple sec
1/2 tsp sugar

INSTRUCTIONS

In a cocktail shaker, combine the sugar and clementine and muddle well. Add GREY GOOSE® L'Orange Flavored Vodka, triple sec and ice. Shake well. Pour with ice and clementines into a rocks glass and garnish with slice of clementine.

TIPS

As clementines come into season in the winter, this can make a delightful holiday cocktail. For a unique taste, try adding some holiday spices such as star anise or clove as you are muddling, this will lend a more exotic air to the drink.
