

GREY GOOSE® LE CITRON JARDIN VERT

INGREDIENTS

2 parts GREY GOOSE® Le Citron Flavored Vodka
3/4 part fresh-squeezed lime juice
3/4 part simple syrup
2 pieces of celery stalk, 2" long
1/3 cup cilantro, loosely packed

INSTRUCTIONS

In the bottom of a cocktail shaker, place celery and cilantro and muddle well. Add remaining ingredients, and shake vigorously. Double strain into a rocks glass with one large ice cube. Present with a Chinese celery straw.

TIPS

Try serving this cocktail over one large ice cube to combat dilution. You can create glass-sized ice cubes by freezing water in disposable cups. An interesting garnish for this cocktail is Chinese celery, which you can turn into a straw by cutting the leaves off.
