

## SUMMER GARDEN

### INGREDIENTS

1 1/4 parts GREY GOOSE® Vodka  
3/4 parts Sambuca®  
1/4 part Pernod®  
1 oz chilled water  
edible lavender flowers for garnish

### INSTRUCTIONS

Fill a cocktail shaker with ice and add all ingredients. Shake well, strain into martini glass and garnish with lavender.

### TIPS

This cocktail may seem sweet due to the Sambuca, but it is actually a fairly dry and strong cocktail. It makes a wonderful aperitif.
